

How can the Oregon Association of Latino Administrators (OALA) work for you?

Join us today!

For an annual fee of **\$800.00** your institution can become one of OALA's Institutional Members. With this membership, your institution's website will be linked to the "Institutional Members" section of OALA's website, linking visitors to your site. You will be able to **advertise openings, solicit potential hires**, as well as **share information** on the work that you are doing with the hundreds of visitors to the OALA website.

In addition, Institutional Members will have their organization highlighted in OALA publications, and this year you will be given **5 FREE slots** to the 2018 Winter Conference scheduled for **February 1st - 2nd at Western Oregon University in Monmouth, Oregon.** Conference registration is \$175.00 so your organization will save \$75.00 by becoming an institutional member.

Do not miss out on this opportunity to align your institution with the Oregon Association of Latino Administrators. Your affiliation with OALA will send a message to all that you embrace diversity, understand the changing demographic trends in Oregon, and that you are ready to work together in creating a promising future for Oregon's Latino youth.
